LEON OWENS FOUNDATION

MAKING A DIFFERENCE TOGETHER

Thank you for being part of the Leon Owens Foundation's commitment to continue the legacy of Leon "Jack" Owens (1933-1993)"Making A Difference Together" to serve youth and our community. Since 1994, our organization, with the support of family, friends, and businesses has made a positive impact on the lives of students in our community. This has been through the provision of youth scholarships (K-12th grades) in the areas of STEM; sports; music; dance and academic camps. We have awarded nearly 250 college scholarships to high school seniors and continuing college students. In 2015, we launched the "Shoes for Kids Community Outreach" which has provided over 2600 elementary students with a new pair of Skechers tennis shoes and socks during the holiday season. Our "Books 4 Kids" campaign supported the renovation of a school library through the donation of over 100 new books. Additionally, the Foundation volunteers with other organizations in community service and assist those in need. Our combined efforts are what make all of these amazing feats possible and the legacy of reaching out to others for others. Let's continue to impact and encourage youth, students and our community!
